

# OZODA SHAKHOBIDDINOVA

## Frontend Developer

I'm a Frontend Developer with high passion. I can find big interest in decorating the websites, animate the items and good taste in colors, making logic movement in websites which have also caused to try my ability in Frontend Engineering. I'm quite happy with my decision because I have actually found my passion inside of me, now I can engage with the stuffs which I love. I have an aim to dive deeply in Software Engineering by increasing my knowledge and experience participating in projects. I hope
